Fine Jewelry

Diamonds, pearls and coloured stones, set by hand in
our Paris atelier.

THE MAISON

Made slowly, worn for a lifetime.

Since 1987, every Veralune piece has been drawn, cast and set by hand in our atelier on rue de la Paix.

We work in recycled 18k gold and platinum, and source diamonds, pearls and coloured stones from partners who share our standards. Each collection in this catalog can be sized, engraved or made to order in our workshop.
